NEWSLETTER FEBRUARY 2026

Welcome to our February Newsletter!

Welcome to this month's HTDC newsletter. It's been another busy and productive few weeks in class, and it's lovely to see our dancers continuing to grow. As always, we're so grateful for the ongoing support from our families and look forward to sharing our latest updates with you.

APPRECIATION WEEK

What a wonderful week we had celebrating our very first Appreciation Week! In the lead-up to Valentine's Day, our Dance With Me sessions were a real highlight. It was so lovely to see special grown-ups joining their dancer in classes before the half term break.

Classes were filled with smiles, laughter and plenty of proud moments. Thank you to everyone who took part and helped make the week such a success. We're excited to share some of our favourite photos below!

THE GREATEST SHOWMAN WORKSHOP

What a successful evening we had at our Greatest Showman Workshop as part of Appreciation Week! The energy in class was fantastic, and it was wonderful to see our dancers fully immersed in the choreography and performance elements.

A special thank you to Benjamin Mundy for coming in to lead the workshops, we are so grateful for his time and expertise. It was a brilliant experience for everyone involved.
