NEWSLETTER MAY 2026

Welcome to our May Newsletter!

It has been another busy and exciting month at HTDC as preparations for Shine Bright Like a Diamond continue. With costumes, choreography and rehearsals all coming together, there is lots of excitement across the school.

Your Principal
Miss Helen

Combo classes are proving very popular, and it's not too late to join! Miss Natalie and the dancers are having lots of fun exploring a variety of styles including Street, Contemporary, Lyrical and Jazz.
A fantastic class for dancers who love learning different styles and enjoying energetic, creative classes.

Our fabulous **Adult Tap group**, Tap For Fun, performed their incredible routine to Starlight Express at the annual Tap Dance Weekend in Torquay.
As always, it was a fantastic weekend full of tapping, fun and friendship, truly the social and tap event of the year!

SHOW TERM!

DID YOU KNOW? *We have 465 costumes in the show!*

Our Core Values

Belong

At HTDC, every dancer is part of our dance family.

We believe every child should feel welcome, valued and included from the moment they walk through the door.

Whether a dancer is new to class or has been with us for years, everyone has a place to grow, make friends and feel proud to be part of our community.

Believe

We encourage our dancers to believe in themselves and their potential.

Through encouragement, support and celebrating progress, we help every dancer build confidence and develop a positive mindset.

With belief and dedication, amazing things can happen.

Encourage

At HTDC we believe encouragement is key.

Our teachers and dancers support each other, celebrate achievements and help one another through challenges.

A positive environment helps every dancer feel confident, motivated and ready to keep learning.

Achieve

We celebrate every achievement, big or small.

Whether it's learning a new step, performing on stage or passing an exam, every milestone matters.

At HTDC we are proud to support our dancers as they work towards their goals and discover what they are capable of.
